

## Getting to Dialog im Dunkeln

### From the airport

Take the S1 (green) line to *Ohlsdorf*, then take the U1 (blue) line in the direction of *Ohlstedt*. Get off at *Meßberg*, take the *Deichtorhallen* exit, then walk to *Dialog im Dunkeln* (see map).

If you take the S1 back to the airport, it is very important that you take one of the *first three* carriages: the train separates at *Ohlsdorf* and if you are in the wrong carriage you won't be taken to the airport!

### From the Central Station (Hauptbahnhof)

If you travel to the conference from the Central Station (called *Hauptbahnhof*, *Hauptbahnhof Nord* or *Hauptbahnhof Süd*), take the U1 (blue) line in the direction of *Ohlstedt* and get off at *Meßberg*. Then walk to *Dialog im Dunkeln* (see map).

Please note that the U3 (yellow) line is not fully operational at the time of the conference. There is *no service* between *Baumwall* and *Rathaus*.

The location where the PEP-NET Summit will take place is accessed through a side entrance, which is on your right as you face the main entrance.

### Buses

The conference location is served by buses 3, 4 and 6. Get off at *Bei St. Annen* then walk to *Dialog im Dunkeln*.
